VOLLEYBALL EXPERT TO CONDUCT CLINIC

MISSOULA--

An experienced volleyball player and teacher will conduct two Power Volleyball Clinics on Friday and Saturday, November 17 and 18 at the Women's Center on the University of Montana campus.

Participants may register for either session. Inter-collegiate games will be held at 7 Friday night in the Womens Center and all visitors will be invited to participate.

Mrs. Pat McChesney will conduct the clinic which will be open to women volleyball enthusiasts from Montana, Idaho and Washington. During the past six years, Mrs. McChesney has served as a national official and as chairman of girls' and women's volleyball for Region 9 of the United States Volleyball Association.

As a player, she competed in international volleyball matches in Mexico City in 1961. She has continued to compete and is a member of the Dallas YMCA team which is a contender in the national volleyball tournament every year.

Mrs. McChesney is in great demand as a leader of clinics and workshops. During 1967 she has conducted clinics at Southern Methodist University, Sam Houston State University and Bishop College in Texas.

A registration fee of \$3.50 will be charged to defray the clinic expenses, to provide each participant with printed materials pertaining to the teaching and coaching of power volleyball, and for a buffet luncheon on Friday.

The Department of Health and Physical Education and the Women's Recreation Association are sponsoring the clinic.

All women and girls interested in participating should contact by November 8, Mrs. Deanna Sheriff, Department of Health and Physical Education, University of Montana, Missoula, Montana.
